HENDRY CHAPTER ADOPTS

The members of the James E. Hendry Chapter of Fort Myers, conscious of the debt owed the chapter's namesake for his work with hibiscus during his lifetime, adopted as the official chapter flower the "Mrs. James E. Hendry" bloom. The chapter is honored and proud to carry his name.

The "Mrs. James E. Hendry" variety is a creation of Mr. Hendry and was named for his wife many years ago. All members of the JEH chapter are encouraged to have at least one plant of this variety in their gardens. The chapter also presents each new member who signs up at one of their shows with a "Mrs. James E. Hendry" plant. They are also planning to carry a special category for this variety in their future shows.
